

Physician's Certification and Borrower's Acknowledgment of Obligation (page 2)

GENERAL INFORMATION

This form is used to obtain a physician's certification and a borrower's acknowledgment. The purpose is to have a licensed physician certify that the borrower is able to engage in substantial gainful activity and to have the borrower acknowledge that any federal student loans or TEACH grant service obligations received as a result of this physician's certification cannot be canceled based on any present impairment or condition, unless that impairment or condition substantially deteriorates to the extent that the definition of total and permanent disability is met. This form may allow the borrower to secure additional loan(s) or TEACH Grant(s).

DEFINITIONS
